

HELP SENIORS LIVE INDEPENDENTLY

SUPPORT THE OLDER AMERICANS ACT

The Older Americans Act (OAA) is a vital safety net that supports 5,000+ local Meals on Wheels programs nationwide to deliver much more than a nutritious meal to the country's most vulnerable seniors. The network of two million volunteers also provides a friendly visit and critical safety check that give seniors and their loved ones the peace of mind they need.

The OAA also makes fiscal sense. The investment in senior nutrition programs like Meals on Wheels saves precious federal and state tax dollars by keeping seniors out of nursing homes and preventing unnecessary hospital admissions and readmissions.

JOIN US IN URGING CONGRESS TO PASS A BIPARTISAN REAUTHORIZATION BILL THAT PROTECTS THE OAA NUTRITION PROGRAMS THAT KEEP MILLIONS OF SENIORS LIVING THE NOURISHED AND INDEPENDENT LIVES THAT THEY DESERVE.
